Foster and Adoptive Family Play Dates in the Community

“Build your village”

It's Fun! It's free! Children's Home & Aid invites you and your family to get connected to other families in your area. This is an opportunity for the children and families in our programs to come together on Saturday mornings throughout the year, and build friendships and connection. This program is CASUAL! Come any time you can! The point is to have fun, see old friends, and make new ones through regular contact in a low key and unstructured setting.

We wear blue for child abuse prevention. Please dress in an article of blue clothing so you can be identified as a foster or adoptive family by the other families present.
