

Washoe County Social Services
Foster Care & Adoption

Washoe County Human Services Agency Adoption Recruitment team, in collaboration with The Discovery Museum, is hosting an Adoption Mixer.

This will be a fun science day at the Museum with facilitated Nano Science tables and opportunities to play in the museum.

Sunday, February 10th, 2019 12:30-2:30 p.m.
Science Day Meet and Greet at the Discovery Museum located at:
490 S Center St.,
Reno

This is a social gathering for Flex and/or Adoptive families and children who need Flex or Adoptive homes.

Please review our website prior to the event to see children that will be present for adoption or a flexible placement. This is your opportunity to meet children that are available for adoption. **Please note, foster families also bring their birth children and other foster youth who are not in recruitment for an adoptive home.**

Please do not approach any children individually other than you normally would socialize with fellow foster parents and their families.

Please contact us at adoption_recruitment@washoecounty.us to receive the top needs or for questions on any of the children. **Only children whose plan is adoption are invited to this event.**

For questions or to RSVP please contact:
Tawnya Robertson - trobertson@washoecounty.us
Or
Carmen Silva - csilva@washoecounty.us
