

We are writing to let you know that there is a court hearing regarding a child in your care on **{Date}, 2014** at **{Time}**. The hearing will be at _____ **County Courthouse** before **Judge** _____.

You have the right to attend your court hearing as listed above, but you are not obligated to do so. Your voice is important and we encourage you to attend. The court hearing is an opportunity for you to talk with the Judge and for you to share your feelings, concerns, and needs. If you are unable to attend in person, please contact the child's case manager to discuss alternative ways that you may be able to participate such as by submitting written input to be submitted to the court and the parties. We look forward to speaking with you and seeing you in court.

Please note that if you are providing care for a sibling group, you may receive more than one notice for the same hearing as these notices are sent for each child.

This process was developed to address concerns raised by foster parents regarding timely notification of court hearings for children placed in their homes. We apologize if you receive duplicate notifications or notices in error. Your feedback on this process is appreciated and should be directed to Stefanie Wickers at wickers@ourkids.us.

If you do not wish to receive these emails, please contact Stefanie Wickers at wickers@ourkids.us to select out of the process.

Thank you and please let me know if you have any questions or if there is anything we can assist with.
